Sub: To inspect and take necessary action regarding
plantation of trees at the eastern side of my
home by my neighbour Mr. Aniruddha Chanda.

Respected Sir,

I, Mr. Tapan Kumar Manna, a bonafide dweller
of 21/8A, Nimchand Karar Street, Kolkata - 57, would like to
draw your kind attention towards the fact that
Mr. Aniruddha Chanda, residing at 7/3/1, Nimchand
Karar Street, Kolkata - 57 (eastern side of my residence)
have planted trees at the eastern side of my home.
The branches of the trees are encroaching into our
compound as a result the walls and the drainage
pipelines of my house are getting damaged due to the
branches of the trees. The leaves are falling inside my
compound in turn making it dirty and filthy and
also homing a breeding ground for mosquitoes and insects.

In spite of repeated requests to my neighbour
for cutting the branches of the trees (on my side of the
Compound), he has put a deaf ear to it. They had verbally
abused me instead of putting forward a helping hand
to solve the problem.

I would request you to kindly look into the
matter and take necessary steps to find an
appropriate solution to my problem. Enclosing, the
