

To,

The Chairman,

Kamarhati Municipality

Date: 26th August, 2024

Subject: A request to initiate removal of illegally dumped garbage next to the western boundary wall of my apartment building

Sir/Madam,

Myself Avijit Lahiri, a resident of Flat No.: 105, Gangotri Apartment, 3 Rifle Range Road, Belgharia (Ward No.: 35), Kolkata-700056. For the last couple of years, garbage has been illegally dumped on the lane that separates the western boundary wall of our apartment building and the railway track passing through platform number four. Due to heavy monsoons this year, there has been significant water logging around the garbage dump, providing an ideal breeding ground for mosquitoes and other insects. Thus, it can be expected that there will be a sharp rise in the cases of vector-borne diseases (like dengue, malaria etc.) among the local population, if the garbage dump is not cleared swiftly. Hence, I humbly request you to look into this matter and ensure that the illegal garbage dump is cleared at the earliest.

Thanking you,

Avijit Lahiri
